About Stevens & Bolton LLP

Stevens & Bolton's fraud and asset recovery team draws on expertise from the commercial litigation team (led by Sarah Murray), the insolvency and restructuring team (led by Tim Carter) and the private wealth disputes team (led by James Lister).

We are recognised as a leading firm for disputes and a first choice for insolvency advice. Partnering with TL4 will enable us to broaden relationships and work more closely with experts within the field of fraud, insolvency, recovery and enforcement. We very much look forward to working with the FIRE community.
